

Instructions for making your card

1. Make edits to the “back” card (your name, information, etc)
2. Print a front / back slide to PDF
 - a. Click the print icon in the top-left
 - b. Choose “print to PDF” or “save as PDF”
 - c. Print only the page you want (so it’s one page per PDF)
 - d. Do this for the front, then the back
3. Upload your new design to a website like Moo.com
4. That’s it!
